From any angle, MidAmerica Industrial Park is a great place to operate a manufacturing plant or distribution center. We are the largest industrial park in Oklahoma and home to divisions of some of the world's largest companies. The park is managed by a public trust that administers all services from

Our Regional Business Airport (RBA) features a 5,000-foot runway for most business jets and a 365-acre airpark available for aviation related firms.

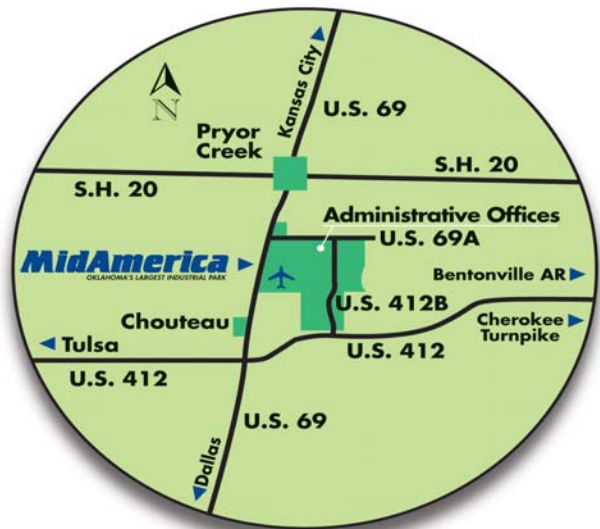

marketing and water / wastewater treatment to airport operations and preventive maintenance of all major park assets. Our infrastructure and advantages provide our industries with the support they demand to compete and prosper globally. Welcome to MidAmerica.

Nearly 80 companies have facilities at MidAmerica including seven "Fortune" and eight "Global 500" divisions.

The park has many "Greenfield" sites available for built-to-suit plant or distribution center facilities.

Our administrative offices are located on US Highway 69A, approximately 2.5 miles east of US Highway 69.

Many of our largest employers and our Administrative Office are located on Highway 69A. From left to right: Mid-South Maintenance, One American Way and SYGMA.
